

STATE OF CALIFORNIA

SAN JOAQUIN RIVER CONSERVANCY

NEWS RELEASE

September 4, 2024-

The California Natural Resources Agency, along with the San Joaquin River Conservancy, San Joaquin River Parkway and Conservation Trust, and the Sequoia Riverlands Trust hosted a “30x30 California Special Event.”

Secretary Wade Crowfoot delivered a powerful opening address before giving the stage to the panel of local leaders in conservation.

The 30x30 effort is a State goal to conserve 30% of California’s lands and coastal waters by 2030. The day was filled with inspiring discussions, which focused on needs, current efforts, and future opportunities for conservation in the San Joaquin Valley.

Attendees discussed the San Joaquin Valley’s unique role in building deep connections to place and community.
